- 9.
- 10.

<sup>2</sup> LAS (6 credits) Two of these weeks for students in the Large Animal emphasis may be in one of the following rotations: Food Animal Surgery, Equine Elective, or 2 weeks (must be consecutive) may be spent outside of the VMTH under the direct supervision of a Diplomate of the ACVS. The later must be approved by a member of the large animal surgery faculty to ensure that it will provide a quality learning experience.

---

**4<sup>th</sup> Year Rotation Priority Rotation Requests**

After you have identified ALL of the rotations you will be taking in the 4<sup>th</sup> year, develop a list of your **rotation scheduling priorities**, i.e. a list of rotations that are important for you to take at a specific time of the year. Make a ranked list of the **top 5 rotation priorities** that you would like to have implemented in your schedule.
