Morrie Waud, long-time friend and donor to the UW School of Veterinary Medicine (SVM), has committed $5 million to match gifts and pledges toward the school’s Animals Need Heroes Too campaign for a building expansion—the most important project the school will undertake in the next 30 years.

“A SPECIAL OPPORTUNITY FOR MEMBERS OF THE SVM FAMILY

Please join me in my effort to make this building expansion a reality, and help improve the lives of animals and people around the world.”  -Morrie Waud

HOW THE MORRIE WAUD MATCH WORKS

Gifts or pledges from members of the SVM Family, which includes all SVM students, alumni, and their immediate families, as well as faculty and staff (past and present), will be matched at the following levels:

DOUBLE YOUR IMPACT

Gifts and pledges of $500-$999 will be matched 1:1 ($1 FOR EVERY $1)

TRIPLE YOUR IMPACT

Gifts and pledges of $1,000-$4,999 will be matched 2:1 ($2 FOR EVERY $1)

QUADRUPLE YOUR IMPACT

Gifts and pledges of $5,000+ will be matched 3:1 ($3 FOR EVERY $1)

This special opportunity for the SVM Family is only available for a limited time. It is anticipated that the special SVM Family match opportunity will end by summer 2018.

Naming opportunities will be available. Recognition details will be identified when building plans are completed in 2018-20. Gifts of $25,000 or more will be assured a naming opportunity.

Match commitments can be made with a single gift or a multi-year pledge. Pledges can be made via payroll deductions, monthly automatic credit card charges, or annual reminders.
IMAGINE WHAT WE CAN DO WITH ROOM TO GROW...

By constructing a new state-of-the-art facility connected to our current building, we can grow to meet the needs of thousands more animal patients from all across Wisconsin and the United States. We can continue to lead the way in critical research that improves both animal and human health. And we can keep attracting the best and brightest to train the next generation of veterinary medical professionals.

Space is the key.

This is your chance to be a groundbreaking hero.

WHY GIVE NOW?

The plan for the building expansion includes a significant partnership with the state via the capital budget process. Our project is currently the top priority for UW-Madison’s 2019-21 capital budget request.

To remain the #1 priority, we must demonstrate fundraising success and secure approximately $20 million in gift commitments by the end of 2017.
