

## Fund Designation Options

For donors who wish to support an existing fund, the below list represents the most commonly selected funds that other donors choose to support with their legacy gift. This list is not exhaustive, so please contact us if you have interests outside of these examples or if you would like to discuss the creation of your own named fund.

### Greatest Needs Support

- **School of Veterinary Medicine Fund** Gifts support the greatest needs of the school and its UW Veterinary Care teaching hospital. Vital support provides the flexibility to meet the school's most urgent needs and support the teaching, research and service missions of the school. *IMMEDIATE USE*
- **Excellence in Veterinary Medicine Fund** Gifts support the greatest needs of the school and its UW Veterinary Care teaching hospital. Vital support provides the flexibility to meet the school's most urgent needs and support the teaching, research and service missions of the school. *ENDOWMENT*

### Support for Facilities

- **School of Veterinary Medicine Facilities Support Fund** This fund supports on-going costs associated with maintaining the school's facilities and grounds including the purchase of equipment, materials, and/or furnishings, facility maintenance, support of facility expansions and/or renovations, or any other facility needs. *ENDOWMENT*
- **UW Veterinary Care Fund** Gifts provide programmatic, facilities and equipment support for the UW Veterinary Care teaching hospital. *IMMEDIATE USE*
- **UW Veterinary Care Small Animal Hospital Fund** Gifts provide flexible funds that shall be used to support the UW Veterinary Care Small Animal Hospital. *IMMEDIATE USE*
- **Morrie Waud Large Animal Hospital Fund** This fund supports the expansion and renovation of the School of Veterinary Medicine's Morrie Waud Large Animal Hospital. *IMMEDIATE USE*
- **School of Veterinary Medicine Cancer Treatment Center Fund** This fund provides financial support for UW Veterinary Care's oncology facilities and equipment. *IMMEDIATE USE*

### Support for People

- **Veterinary Medicine Scholarship Fund** Provides general scholarship support to students at the School of Veterinary Medicine. *IMMEDIATE USE*
- **Veterinary Medicine Diversity, Equity and Inclusion Scholarship Fund** This fund provides scholarship support to veterinary medical students who aid in and support the school's diversity, equity and inclusion efforts. *ENDOWMENT*
- **Veterinary Medicine Faculty Research Fund** This fund supports research projects across a broad range of fields conducted by School of Veterinary Medicine faculty. *IMMEDIATE USE*
- **Veterinary Medical Teaching Hospital Resident Support Fund** This fund provides financial support to veterinary medical students who are undertaking their residencies at UW Veterinary Care's Veterinary Medical Teaching Hospital. *IMMEDIATE USE*

### Support for Programs

- **Animal Cancer Treatment Program Fund** Gifts help ensure the school remains on the cutting edge in its fight against cancer, and provides support for cancer research and treatment programs, as well as oncology facilities upgrades. Animal cancer research benefits both animals and humans, too. *IMMEDIATE USE*
- **Companion Animal Endowment Fund** Gifts support vital health care studies (such as cancer, infectious diseases, orthopedic problems and kidney failure) in companion animals including dogs, cats and birds as well as support facility and equipment improvements at UW Veterinary Care. *ENDOWMENT*

- **Equine Fund** Gifts provide support for the School of Veterinarian Medicine's equine research program. *ENDOWMENT*
- **Feline Health Fund** Gifts provide support for the School of Veterinarian Medicine's feline research program. *IMMEDIATE USE*
- **RESPOND Fund** Gifts provide support for veterinary care for seriously ill or injured animals whose owners cannot afford the full cost of the necessary treatment. *IMMEDIATE USE*
- **RESPOND Compassionate Care Fund** Gifts provide support for veterinary care for seriously ill or injured animals whose owners cannot afford the full cost of the necessary treatment. *ENDOWMENT*
- **Oncology Client Assistance Fund** Gifts provide financial assistance for clients whose pets are receiving cancer treatment at the School of Veterinary Medicine and who cannot afford the full cost of the necessary treatment. *IMMEDIATE USE*
- **School of Veterinary Medicine Diversity, Equity and Inclusion Fund** This fund provides support to the school's greatest needs in the area of diversity, equity and inclusion efforts. *IMMEDIATE USE*
- **Shelter Medicine Fund** Gifts support the health and welfare of shelter animals while increasing the life-saving capacity of shelters and communities. Additionally, it aims to build core knowledge for how to best care for homeless animals by training veterinarians and partners. *IMMEDIATE USE*
- **WisCARES Fund** Gifts support the Wisconsin Companion Animal Resources, Education, and Social Services program, which provides holistic health care and housing support to Dane County's disadvantaged residents and their pets. *ENDOWMENT*
